Advanced Diploma Programme in Dementia Care 支援腦退化症實務高等文憑課程 2016-2017

Course objective

The key objective of the course is to develop an advanced understanding of multidisciplinary perspectives about dementia and approaches to dementia care. The course also aims:

- ▶ to address clinical issues in dementia care and service delivery
- ▶ to enhance the collaborative effort and holistic care by multidisciplinary intervention
- ▶ to strengthen the ethics and clinical assessments in dementia care
- ▶ to analyze the existing research, approaches and applications in local context
- ▶ to develop knowledge and skills of social services evaluation related to dementia care

賽馬會耆智園
Jockey Club Centre for Positive Ageing

Chief organizer

Department of Medicine and Therapeutics, Faculty of Medicine,
The Chinese University of Hong Kong (CUHK)

Joint organizer

Jockey Club Centre for Positive Ageing (JCCPA), an organization which aims to uplift Hong Kong's dementia service through providing high quality service, training and research
